

Jack-O-Lantern Filet Coaster

Designed by Julie A. Bolduc

This small filet pattern can actually be stitched onto an orange colored felt backing to give your wood surface more protection and to also make it more festive looking. It is a very quick pattern and could be completed in just a few hours. In fact, It took me about 90 minutes to complete. Since this is such a small project, I have written out the instructions as well as provided a stitch chart, so this is the perfect pattern for beginners of filet crochet.
