

# Feel the Love Magnet

Designed by Julie A. Bolduc

This heart fridgie is made by following a filet crochet chart then a round of shells is worked around the perimeter. Then the heart is embellished with pearl white and clear red beads which you can feel. The magnet on the back is from a magnet sheet you can get for printing on your inkjet printer. You can also recycle a large piece of flat sheet magnet if you have one.

## Instructions

**RND 1:** When you are done with the instructions above, work a round of chains around the perimeter in the following way. Ch3. Sc in top of ch3 of the previous row. Ch3. Sc in top of next dc of row down left side. Ch 3, Sc in top of next ch3 of next row down left side. Ch3. Sc in top of next dc of next row down the left side. Ch3, sc in next outer corner, 5 times. Ch3. Sk 2 dc. Sc in next dc. Ch3, sc in next outer corner 5 times. Ch3, sc in top of next dc up right side, 4 times. Ch3. Sc in next outer corner. Ch3. Sk 2 dc. Sc in next dc. Ch3, sc in next outer corner, twice. Ch3. Sc in space between the 2dc in center top of heart.

Ch3, sc in next outer corner, twice. Ch3. Sk next 2 dc. Sc in next dc. Ch3. Sc in top of last dc. Join w/slst to first ch of the first chain 3. Fasten off pink and join white to first ch3 sp.

**RND 2:** Ch3, 4dc in same space. Sc in next sc. \*5dc in next ch3 sp. Sc in next sc. Rep from \* around. Join w/slst to top of ch3. Fasten off white.

Now you will sew beads onto front of heart. With crochet thread and fine needle, sew the white beads to the base of RND 2. Sew three beads at the bottom of each 5dc shell all the way around as shown in the picture.

With the red beads sew on the word Love across the front. Use 8 beads for each letter.

**Assembly** Trace the heart onto a piece of felt with a black Sharpee. Cut the heart out about 1/8" to a ¼" in from the black lines. Sew the heart shaped piece of felt to the back side of the crocheted Heart.

Trace the heart onto a piece of magnet sheet. Cut it out in the same way as you did for the felt heart and using

the spray adhesive, spray glue on the back of both the magnet sheet and the felt side of the heart then put them together back to back. Allow to dry over night.

**MATERIALS (based on crochet cotton size):**

Using Crochet Cotton no. 10: about 9 yds, steel crochet hook US size 7 or SIZE FOR GAUGE.

**APPROXIMATE FINISHED SIZES:**

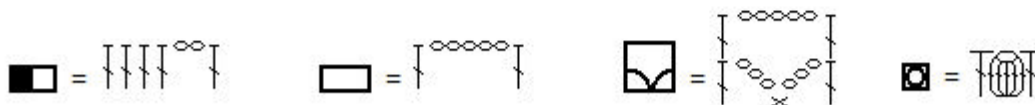

Using Crochet Cotton size 10: width = 2.1 inches, height = 2.2 inches

**GAUGE:**

Using Crochet Cotton size 10: 10 squares = 2.3 inches, 10 rows = 2.5 inches

**HOW TO READ PATTERN:**

Each solid square is equal to 4 double crochets. Each open square is equal to 1 double crochet, followed by 2 chains, followed by 1 double crochet. The double crochet at the end of each square also counts as the first double crochet of the next square. For example, a solid square followed by an open square is 4 double crochets, 2 chains, 1 double crochet. See diagram below:

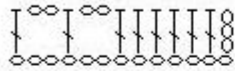

Where "}" is the symbol for one double crochet, "o" is the symbol for one chain, and "x" is the symbol for one single crochet.
