

Basic Granny Square

Written by Julie A. Bolduc

This is a basic granny square which is fast and easy to make. It is the basis where all other granny squares are derived from. This is not my pattern but what I do when I want to make a basic granny square.

Work the next rounds exactly the same increasing the section (3dc in next ch1 sp, ch1 ___ times.) by one for each round you add on. You can make your granny square as big as you want by adding RNDs. Or you can stop at 6 RNDs to make an afghan out of individual squares. You can also use a different color yarn for each RND of a square for a dazzling effect.

Changing Colors

To change colors at beginning of each rnd Fasten off after sl st to top of ch3. Leave yarn about 5" long and after square is complete, weave ends into work. Tie on new color in ch 2 lp and proceed onto the next rnd in pattern. For Finishing each square, After sl st into the top of ch 3, fasten off and either weave both ends into work or weave just the starting end into the work and leave the finishing end long to sew the squares together. It depends on what type of effect you want as to what you should do.
