Assembly

STEP 1: Center round 1 of one piece over the ornament hanger if you are using an old ornament. Otherwise, just put it anywhere and pin in place temporarily to hold it in place while stitching.

STEP 2: Center other piece opposite the other one and pin in place.

STEP 3: With the 24" long end and the yarn needle, lace the two pieces together on round 3 to form a flat seam. Weave end into work and trim excess yarn close to work.

STEP 4: Stick sequins, pins and beads in desired locations on ornament in this order, pick up a pin, put a bead on it, then put a sequin on the pin with the cup side facing the bead then stick the pin into the ornament where you want it.
