

Fashion Doll Summer Party Dress and Shawl

Designed by Julie A. Bolduc

This outfit combines a pretty pink strapless sundress and a lacy white shawl for a little girl's pretend summer party with her doll's. I designed this dress and shawl in just one afternoon so this should work up quickly for a last minute gift for a lucky little girl.

Materials Needed:

Lustersheen Pink

Size D aluminum crochet hook

5 small snaps

¼" wide pink satin ribbon 12" long.

For Shawl:

White size 10 crochet cotton. Southmaid was used.

Size 7 steel crochet hook

small yarn needle

Yarn Thickness: 2mm and 10thread

Gauge: 1 shell = 1"

Finished Size: Fits an 11½" size fashion doll

Skill Level: Intermediate

Fasten off. Weave all ends into work. Sew snaps to back.

Weave ribbon in & out the two dc rows starting on the bottom center row. Insert the ribbon from the front of the waist and weave toward the left of the waist. Then go up one row and weave the ribbon on the upper

dc row from left to the right all the way. Then drop one row and weave ribbon to the center meeting up to the other side.

Adjust ribbon so that the ends are even. Draw up ribbon so the bodice just fits around the doll's waist. This will have a soft gathering effect. Tie a bow in the ribbon.

You may want to lightly iron the shawl at this time. Just to straighten out the stitches. I didn't though.
