

Five Flying Geese Block

Using the Quilt as You Piece Method

Designed by Julie A. Bolduc

This is the 7th quilt block tutorial in a series on how to make quilt blocks using the Quilt as You Piece Method. This tutorial is not about making a quilt, it is about making the "Quilt as You Piece" block that you can add to the type of quilt where the blocks are joined after they are made, quilted then joined to other blocks. Like a Quilt as You Go Quilt. The size of the block I am making for this tutorial is a 10" x 10" block. The measurements for the cut size can be rounded up to the next 1/8" to allow for variances while you work.

I have included templates for this quilt block so you can use scraps and/or 2-1/2" strips if you want to. The sizes listed below are basically there if you are using scraps. I am using the 2-1/2" strips so I am going to use my templates to use my strips as efficiently as I can.

Materials Needed

For each block, you will need: In the list below, you can add a little bit to the length of each piece of batting and fabric to allow for shifting and trimming up as you go. The chart shows the actual size pieces that will be used after trimming.

- * 4 Pieces Fabric, 2-1/2" x 10-1/2" 2 each of 4 prints. Piece A
- * 10 Pieces Fabric, 2-3/4" x 4-1/8" 5 each of 2 prints. Piece B
- * 10 Pieces Fabric, 2-3/4" x 4-1/8" 5 each of 2 prints. Piece C
- * 10 Pieces Fabric, 2-1/2" x 7-5/8" 10 each of 2 prints. Piece D
- * 2 Pieces Cotton Batting, 2.25" x 10-1/2" Piece A
- * 5 Pieces Cotton Batting, 2-1/2" x 4-1/8" Piece B
- * 5 Pieces Cotton Batting, 2-1/2" x 4-1/8" Piece C
- * 5 Piece Cotton Batting, 2.5" x 7-5/8" Piece D
- * Cotton Sewing thread in neutral color, 50wt preferred.
- * Washable Liquid Glue
- * Washable Glue Stick
- * Card Stock or Paper to print the templates onto.

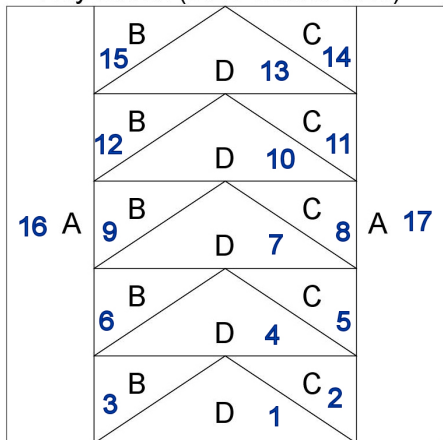

Tools Needed

These are the tools I used. Use what you have.

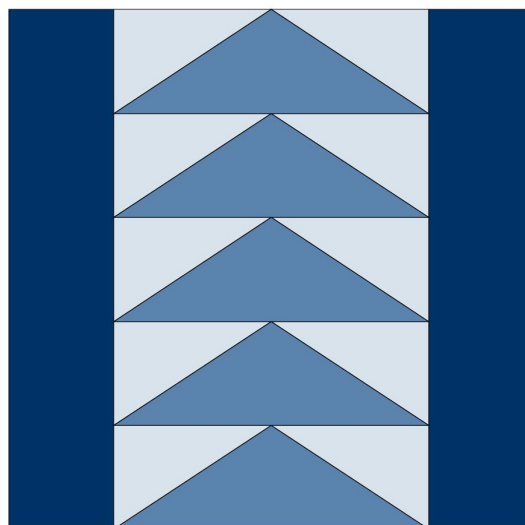

- * Rotary Cutter & Cutting Mat
- * Pair of Fabric Scissors
- * Temporary Marking Device
- * 18"x3" quilt ruler
- * 10.5"x10.5" Square Ruler
- * Dry Iron & Pressing Board

Five Flying Geese

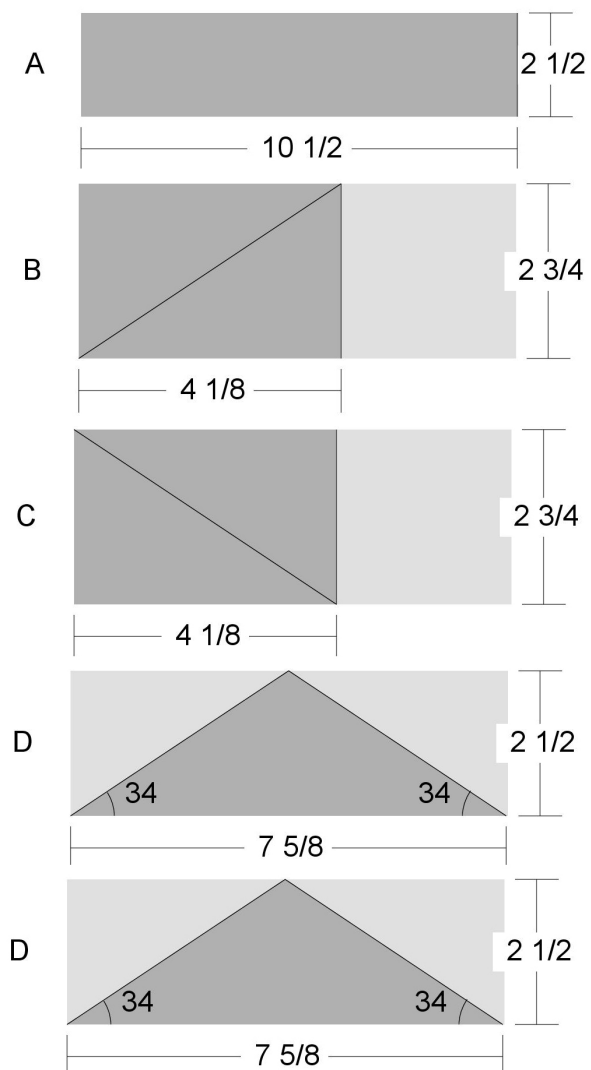

Key Block (5/20 actual size)

Numbers are for order of Assembly.
Letters are for Patch Identification.
