

Buttercup Block

Using the Quilt as You Piece Method

Designed by Julie A. Bolduc

This is the 17th quilt block tutorial in a series on how to make quilt blocks using the Quilt as You Piece Method. This quilt block can be completely made in the Quilt as you Piece method. This one works best if you use the templates provided in the PDF file.

Materials Needed

Makes one Block:

- * Fabric: Follow the diagram for the sizes. Cut double the number of pieces indicated for the front and back making sure the back pieces mirror the front pieces.
- * Batting Follow the diagram for the sizes making them bigger than indicated. Cut one piece of batting for each patch in the block.
- * 2 sheets copy paper for the templates
- * Double stick tape for the templates.
- * Cotton Sewing thread in neutral color, 50wt preferred.
- * Washable Liquid Glue
- * Washable Glue Stick

Tools Needed

These are the tools I used. Use what you have.

- * Rotary Cutter & Cutting Mat
- * Pair of Fabric Scissors
- * Temporary Marking Device
- * 18"x3" quilt ruler
- * 10.5"x10.5" Square Ruler
- * Dry Iron & Pressing Board

Instructions

1. Follow the sizes for cutting your pieces but make the I pieces bigger than indicated so you will have something to trim at the end.
2. You can cut the batting pieces bigger if you like. They can be trimmed later.
3. Add each piece as indicated in the numbered block using the quilt as you piece method.
4. Trim your batting as you go, after adding each piece and after quilting each piece.
5. Use the Quilt as You Piece method for all pieces. Quilt as you add each piece or wait until the block is complete.
6. Trim to 10-1/2" x 10-1/2". Do stay stitching, an 1/8" in from the edges, all the way around.

Block Name & Design Disclaimer:

This block came from the quilt program, Quilt Pro 6. I did not design the block but the block is in the public domain. It is ok for me to use in this manner.

This pattern sheet just provides what materials you need and what size pieces you need to make a 10" block and in what order to sew the pieces of the block together. It does not go into complete detail how I put them together in the Quilt as You Piece manner, please refer to our tutorial of the Five Strip Rail Fence Block for the basic concept and instructions on how to do Quilt as You Piece for this block and all other blocks in this series.

Finished block measures
10 in. high and 10 in. wide

Fabric strips are 42 in. long

Cut 2 - 2 1/4 in Squares 1 each for front and back.
2 Different Fabrics.

Cut 1 - 2 1/4 in. wide by 4 in. long rectangle

2 1/4 in. High by 2 1/4 in. Wide Square
1 Piece each for front and back 2 fabrics.

4 1/2 in. High by 2 1/4 in. Wide Polygon
1 piece each for front and back at the same time wrong sides facing each other.
(Print Template To Cut)

Cut 1 - 3 3/4" Square for front and back.
Cut 4 triangles from both squares.

6 1/4 in. High by 2 1/4 in. Wide Polygon
Cut 1 piece each for front and back with wrong sides facing each other, at the same time.
(Print Template To Cut)

6 1/8 in. High by 2 1/4 in. Wide Polygon
Cut 1 Piece for front and back at the same time with wrong sides facing each other.
(Print Template To Cut)

8 in. High by 2 1/4 in. Wide Polygon
1 Piece for front and back at the same time with wrong sides facing each other.
(Print Template To Cut)

Cut 1 - 6 in. Square for front and back.
Cut 4 triangles for front and back at the same time wrong sides facing each other front 2 different fabrics.
